Advertisement to fill the vacant seats for Admission to PhD (Full-Time and Part-Time) Programme for the Autumn Semester, Academic Year: 2026-27

Advt. No.: NITD/R&C/03/PhD/2026-27 dated 07.08.2026

Online Applications are invited for admission to PhD programme (Full-Time with Institute Assistantship/ Part-Time/ Full-Time with Own Fellowship Scheme/Full-Time self-financed/ Full-Time Sponsored) to fill the vacant seats for the Academic Year 2026-27. Applicants must apply online (via Google Form), as mentioned in the “**Procedure for Online Application/ How to Apply**” Section. The Broad areas of Research, Eligibility Criteria, Selection Procedure, Reservation, Teaching Assistantship-cum-Scholarship, etc. are given in the advertisement.

S. No.	Department	Full Time/ Part Time (for working professionals)
1.	Applied Sciences, Humanities and Management (under English literature and cultural studies)	Part Time (for working professionals) only.
2.	Mechanical and Aerospace Engineering	Both Full Time and Part Time (for working professionals)
3.	Electronics and Communication Engineering	Both Full Time and Part Time (for working professionals)
4.	Electrical Engineering	Both Full Time and Part Time (for working professionals)

How to apply: The link of fill the online application form can be accessed through Institute website <https://nitdelhi.ac.in>. Please submit separate application forms, if applying for more than one programme. An application fee of Rs. 1000/- (Rs. 500/- for SC/ST/PWD candidates) is required to be paid online. The candidates are required to apply online and there is no requirement to send the Hard Copy of the application form to the Institute. Application fee shall not be refunded in any case.

A candidate interested in applying in more than one department/category shall be required to submit separate application forms along with appropriate fees and documents. At the time of interview, no conversion from one category to another will be allowed.

The last date for submission of online application form is **August 20th, 2026**.

For more details, the candidates are advised to visit the Institute website <https://nitdelhi.ac.in> for updates.

A. Department wise Broad Areas of Research in which applications are invited:
Table I

	Department	Broad Areas of Research
1.	Applied Sciences, Humanities and Management (under English literature and cultural studies)	English and Culture Studies, Gender Studies, Popular Culture, Modernity Studies, Digital Humanities, Diaspora Studies
2.	Electrical Engineering (EE)	Power & Energy Systems: Power System Dynamics & Control, Stand Alone power System, Power system operation & Optimization, Renewable energy systems (solar, wind and Hybrid), Probabilistic Power System, Uncertainty quantifications, Deregulation, Distributed Generation, Applications of Energy Storage Devices to Power System. Flexible AC Transmission System, Energy System Planning & Auditing, Loss Allocation, Power Systems Stability & Control. Electricity Market, Security Analysis, Fault Detection, Smart Energy Network, Reliability Engineering, Power Systems Analysis and Smart Grid, Failure Analysis, RAMS. Power Electronics & Electrical Drives: Power Electronics, Power Quality, Improved Power Quality Convertors, Custom Power Devices (DSTATCOM, DVR & UPQC), Active Power Filters, Multi-level converters, Matrix converters, Electric Drives, Flexible AC Transmission System, Isolated Bidirectional DC-DC converters, AC – DC Micro grids, Smart Grids, Special Machines & Control, Modulation Techniques, Electric Vehicles, Control of Renewable Energy Systems, Variable frequency transformer. Control & Automation: Control Theory, Model Order Reduction of Linear, Non-Linear, and Parametric systems, Finite Element modeling of Distributed Parameter systems, efficient Algorithms for fast simulation of power electronics circuits & power systems, vector control of electric drives, Disease Modelling, Artificial Intelligence and Deep Learning. Cyber-Physical Systems, Learning Control, Networked Control Systems, Decentralized control, Constrained control systems, Mechatronics. Signal Processing, Biomedical Signal Processing, Artificial Intelligence, Image Processing, Signal Processing Applications in Electrical Engineering.
3.	Electronics and Communication Engineering (ECE)	Artificial Intelligence, Analog and Mixed Signal IC Design, RF and Microwave Circuits and Devices, Antenna Design Nanoscale semiconductor devices, Electronic Circuits & Devices, Photonics devices, Semiconductor Opto-electronic Devices Communication Systems & Networks, Solar Cell Devices, Optical & Wireless Communication Systems, Image Processing, Signal Processing, Machine Learning, Block-chain, Peer-to-Peer Networks, Neural

		Networks, Game theory, Computer Vision, Robotics, Pattern Recognition, Data Science and Analysis, 3G, 4G, 5G and 6G Technology, Telecommunication Networks, IoT, VLSI Design, VLSI Circuit Design, Embedded Systems, VLSI Architecture for Signal and Image Processing, DSP in VLSI Circuits, Low Power VLSI Design, High-Frequency Circuit Design, RF Energy Harvesting, Biosensors, MEMS.
4.	Mechanical & Aerospace Engineering (M&AE)	Additive Manufacturing, Advanced Machining Processes, Nano-Finishing, Ultra Precision Finishing, Machining Sciences, Measurement and Metrology, Metal Matrix Composites, Materials, Boiling and Condensation Heat Transfer, Refrigeration, Two Phase Flow, Fluid Flow, CFD, Solar Energy, Biofuels, Thermal Energy Storage (TES), Renewable Energy, Thermal Aspects of Additive Manufacturing, Thermal Engineering, Numerical Modeling and Simulation, Strength of Materials, Rupture of Ductile Materials. VLSI Circuit Design, Analog IC design, MEMS, and sensors

B. Eligibility Criteria

An applicant possessing the prescribed qualifications mentioned in the part below shall be eligible for admission to a PhD programme of the institute. The course as well as University/Institute/Organization of qualifying degree must be recognized by AICTE/ UGC or equivalent and will be verified by the Institute before registration. The candidate can apply in the following categories:

- PhD Programme (Full-Time under Institute Assistantship)
- PhD programme (Part-Time) for Working Professionals
- PhD programme (Full-Time with Own Fellowship)
- PhD programme (Full-Time with Self-Finance)
- PhD programme (Full-Time with Sponsorship)

B1 PhD Programme (Full-Time under Institute Assistantship)

The applicant must have a master's degree in engineering/technology in the preceding relevant area of research with a first class or minimum 60% marks (or CGPA of 6.5 on a 10-point scale) in the qualifying examination. The applicant must be GATE qualified/NET qualified.

OR

Bachelor's degree in engineering/ technology/BS (4 years)/M.Sc. (in relevant discipline)/ MCA with a CGPA of 8.0 and above on a 10-point scale or 80% aggregate from a Centrally Funded Technical Institute (CFTI)/State-funded institute/ university/AICTE Approved Institutes. All such candidates must have a valid GATE score/NET Qualified.

2. PhD programme (Part-Time) for Working Professionals

(i) Candidates from organizations that have a Memorandum of Understanding (MoU) with NIT Delhi.

OR

Regular faculty/ Teaching cum Research Fellow or Scientists from Educational Institutions ranked within the top 100 by NIRF, or within the top 1000 QS Ranking, or Institutes of Eminence, or Scientists from Government Funded Research and Development organizations of National Repute/ Government Department/ Government Institute / Government Undertaking or Regular Faculty from Govt. Institutes / Reputed research organization (among Fortune 500 companies).

(ii) The minimum qualification and Experience requirement for Part-Time (Working Professionals) candidates are as follows:-

The applicant must have a master's degree in engineering/technology in the preceding relevant area of research with a first class or minimum 60% marks (or CGPA of 6.5 on a 10-point scale) in the qualifying examination.

OR

Bachelor's degree in engineering/ technology/BS (4 years)/M.Sc. (in relevant discipline)/ MCA with a CGPA of 6.5 and above on a 10-point scale or 60% aggregate from a Centrally Funded Technical Institute (CFTI)/State-funded institute/ university / AICTE Approved Institutes.

Valid GATE score/NET Qualified not required for Part-Time (Working Professionals) candidates

Experience requirement:-

All such candidates should have a minimum experience as given in Table 2 at the level of Assistant Professor or Equivalent as a regular employee in the sponsoring institution /university /college /organization or R&D organization/national laboratory/ industry at the time of applying for admission.

Table 2: Experience Required for Admission to Part-time Ph.D. Programme

S. No.	Qualifications	Work Experience (Post Qualification)
1	M.E./M.Tech. or equivalent /B.E./B.Tech. /M.Sc. or equivalent, from CFTIs/Central Universities	1 Year
2	M.E./M.Tech. or equivalent/B.E./ B.Tech. / M.Sc. or equivalent, from other than CFTIs/Central Universities	2 Years
3	M.E./M.Tech. or equivalent / B.E. / B.Tech./ M.Sc. or equivalent, and working in NIT Delhi (Project or Regular)	1 Year

The applicant is in a position to complete mandatory course requirements along with regular counterparts; the applicant ensures that his/her official duties permit him/her to devote sufficient time to research (No Objection Certificate from the employer will be required).

(iii) Part-Time candidates are required to submit a “No Objection Certificate” on a proper letterhead from the appropriate authority in the organization, clearly stating the following:

- The candidate is permitted to pursue studies on a part-time basis and will complete the residential requirement as per NIT Delhi norms.
- That his/her official duties permit him/her to devote sufficient time to research work.
- Facilities for research in the candidate's field of research are available at the candidate's place of work.

Additional Eligibility Conditions for Part-time PhD Admission (for Working Professionals):

- (i) The applicants should be professionally employed as engineers or scientists in public sector undertakings, government departments, or national-level R&D organizations/national laboratories /industry, having sufficient facilities to carry out research at their place.
- (ii) Regular Faculty of reputed Institutions/Universities/colleges having sufficient facilities to carry out research at their place in the related research area.
- (iii) The candidates must complete the residential requirements up to the completion of coursework at NIT Delhi.
- (iv) The part-time student category cannot be converted into the Full-Time category at any Instance.

1. PhD Programme (Full-Time with Own Fellowship)

Candidate who Qualified National Level Exams. like UGC/CSIR-NET for fellowship/GPAT/DST Inspire Fellow / received fellowship by some outside agency, etc., following are the eligibility criteria:-

The applicant must have a master's degree in engineering/technology in the preceding relevant area of research with a first class or minimum 60% marks (or CGPA of 6.5 on a 10-point scale) in the qualifying examination.

OR

MCA with a CGPA of 6.5 and above on a 10-point scale or 60% aggregate from a Centrally Funded Technical Institute (CFTI)/State-funded institute/ university / AICTE Approved Institutes.

However, qualifying or appearing in the institute's written examination is not mandatory for such candidates.

2. PhD Programme (Full-Time with Self-Finance)

Candidates applying for Full-Time with the self-finance category. If selected, the candidate will not be provided any fellowship/contingency grant by the Institute. The eligibility criteria for this programme will be the same as mentioned in point no. B.1.

3. PhD programme (Full-Time with Sponsorship)

These candidates are sponsored by recognized Government/Semi-Government R&D organizations to do research work in the Institute. Candidates are expected to pursue/carry out full-time research but will not receive any financial support from the Institute. Sponsorship letters should be brought at the time of the interview, & Minimum qualifications as given in point no. B.1. An organization having signed a research collaboration (MoU) with NIT Delhi may also sponsor a candidate; in such cases, the minimum residential requirements may be met at NIT Delhi or the collaborative institute.

4. PhD Programme (for the NIT Delhi M. Tech Students):

Students who are pursuing their MTech from NIT Delhi and have completed their first year can convert their MTech degree Programme to the PhD Programme through the Institute's PhD admission process. In such a case:

- The student needs to apply through the regular advertisement and submit his/her application with the desired documents.
- The student should submit the NOC from his/her respective department, if applying for it.
- The students should have a minimum CGPA of 7.5 in their first year of MTech.

Such candidates have to complete the required coursework. However, they may be exempted upto two courses which they have already completed during their first year of MTech, subject to the approval through RAC/DPGC. However, the candidate has to complete Research Methodology & seminar (two credits).

Such students will get an Institute Assistantship if he/she has a valid GATE score at the time of entry in MTech, subject to the availability of Institute Assistantship seats.

On the successful completion of the requirements, they will be awarded a PhD Degree only.

C. Important Points

- PhD course work for Executives (having work experience of 15 years or more in Government/ State Government/ Autonomous Bodies/ Reputed Companies) may be conducted through Project Work/Seminar.
- Candidates admitted to PhD Full-Time (Self-Financed) may be converted to PhD (Institute Fellowship) if they Qualify NET/GATE examination of concerned discipline before the Comprehensive Examination of the PhD program subjected to the availability of the Institute Fellowship/Scholarship.
- Merely fulfilling the above minimum eligibility criteria does not ensure the selection or even eligibility for the entrance test/interview or both.

- Regarding selection, the decision of the Competent Authority will be treated as final and binding.
- **Any request will not be entertained to conduct online presentations and interviews.**

D. Seat Matrix

The number of seats depends upon the number of available PhD supervisors in the Institute. The following table shows the tentative number of Full-Time PhD seats available in various departments for admission during Autumn Semester 2026-27, the number of seats may change at the time of admission without any further information or notification. The number of seats may increase/decrease as per the vacancies available at the time of admission.

S. No.	Name of the Department	Total Seat Vacant	UR	OBC	SC	ST	EWS
1	ECE	16	4	6	3	2	1
2	EE	15	7	4	1	1	2
3	MAE	8	3	2	1	1	1

****Tentative Vacant Seats for Full-Time Under Institute Assistantship***

E. Admission Procedure

- The candidates applying for Full Time PhD Programme (under Institute Assistantship) must be GATE/NET qualified.
- However, GATE/NET (JRF/LS)/ UGC (JRF/LS) /GPAT/ Inspire Fellow/ Sponsorship from outside agency or Institute Examinations are only for short-listing of the applicants.
- Mere short-listing of an applicant does not confirm admission to PhD programme. The admission shall be solely based upon the performance of individuals during “presentation and interview” and availability of the Supervisor in the proposed area of research.
- The admission to PhD programme (Full-Time/Part-Time) in all disciplines mentioned in this advertisement shall be made purely based on a “**presentation**” to be made by the shortlisted applicants in their proposed area of research followed by “**interview**” to be conducted by the respective Department Admission Committee.
- Short-listing of candidates (other than GATE/NET (JRF/LS)/ UGC (JRF/LS)/GPAT/ Inspire Fellow / received fellowship by some outside agency as a full-time candidate) shall be done by Departmental Admission Committee for the process of “presentation and interview” for the applicants.
- The Department Admission Committee for each Department shall recommend suitable candidates for admission based on its assessment of presentation and interview.

- vii. The Department Admission Committee/Institute reserves the right not to recommend any candidate for admission to PhD in the respective Department if the performance of the shortlisted candidates is not found satisfactory during “presentation and interview”. The decision of the Competent Authority shall be final.
- viii. All the applied/ selected candidates will be governed by the rules and regulations of the PhD Ordinance available at the Institute website. Candidates are advised to read the ordinance clearly before proceeding with the application.

F. Procedure for Online Application/ How to Apply:

1. Students must fill up the online Google Form within the stipulated time mentioned. Late submissions will not be entertained under any circumstances. One application format is attached here, which needs to fill with the desired documents in JPG/ PDF and upload on google form.
2. The candidate must fill up the online Form within the stipulated time mentioned. Late submissions will not be entertained under any circumstances.
3. If a candidate is applying, e.g., Full-Time with Institute Fellowship, Full-Time self-sponsored, Part-Time etc. then he/she must apply separately, conversion from one category to another at the time of admission process will not be allowed if candidate has not applied in those separate categories.
4. Link for the Online Form: <https://forms.gle/BZSUNqwURdhRE58EA>
5. **While filling out the online Google Form, candidates are advised to read up all the requisite details very carefully, correctly and upload all the relevant documents along with application form (available at the end of this advertisement) in PDF format. The same application form is available in doc format with the advertisement on the institute website also.**
6. **Candidates are advised to visit the Institute website (www.nitdelhi.ac.in) regularly for updates. All Queries regarding the admission process will be made only through the Institute email ID: phdadmission@nitdelhi.ac.in**
7. A candidate interested in applying in more than one department/ category shall be required to submit separate application forms along with appropriate fees and documents.

8. Application Fee (**non-refundable**):

(a)UR/ OBC-NCL/ EWS Candidates: Rs.1000/-

(b)SC/ ST/ PwD Candidates: Rs.500/-

(c) *Foreign Nationals: USD 50

*Note: Foreign Nationals candidates (only) can be paid online through the following bank details:

Institute Bank Details:	ICICI Bank
Account Holder Name:	Director NIT Delhi Fee Collection A/c
Account Number:	092901001801
IFSC Code:	ICIC0000929
MICR Code:	1100229103
Swift Code:	ICICINBBNRI

9. The application fee can be paid online through the following link:

<https://rzp.io/rzp/zEHo3eo>

10. Candidates should mention **Transaction ID after paying the fee** in an appropriate action of the application form. The application fee is **non-refundable**.
11. Part-Time candidates should produce **No Objection Certificate** (NOC) from their Employers at the time of Interview/ Document Verification.
12. Sponsored candidates should produce NOC/Sponsorship Letter from his/her Institute at the time of Interview/Document Verification.
13. The OBC-NCL/EWS certificate must have been issued on or after **1 April 2026** to ensure that candidates belonging to the creamy layer are properly identified. Certificates issued before this date will not be accepted. The OBC-NCL/EWS certificate must be produced at the time of **Document Verification**, if not submitted at the time of application.
14. **Document verification:** the certificates (in original) of all the candidates recommended for admission shall be checked by the individual department along with fee receipt and submitted by candidate.
15. Incomplete, improper, and wrong applications will not be considered for short-listing.
16. Any legal dispute pertaining to the admissions shall fall within the jurisdiction of High Court of Delhi only.
17. All admissions will be provisional till these are confirmed subject to medical fitness, payment of all the fees, fulfillment of eligibility conditions, and verification of certificates by the Office of Dean R&C of the Institute.

18. After payment of admission fee, no fee refund shall be entertained in any case of surrender of seat.

G. Reservation

The reservation rules will be followed as per Government of India guidelines prevailing at the time of admission. Category (General/OBC-NCL/SC/ST/PH/EWS) once chosen by the applicant in his/her application form shall not be changed at a later stage. OBC-NCL/EWS certificate must have been issued on or after **1st April, 2026** so that the candidates from creamy layer are identified. No certificate issued before this date shall be acceptable.

Relaxation in minimum Percentage/Equivalent Grade Point requirements will be given as per the National Reservation Policy of Government of India.

H. Teaching Assistantship-cum-Scholarships/ Fellowships:

- a. The candidates who have qualified GATE/ NET of respective discipline are eligible for teaching Assistantship-cum-Scholarships/ Fellowships subjected to the availability.
- b. Ph.D. (Full-Time) students will be awarded scholarship cum teaching assistantship as per the guidelines of Ministry of Education, Govt. of India. The scholarship cum teaching assistantship is limited subject to availability of scholarship cum teaching assistantship; otherwise, candidate may be considered for Full-Time without scholarship cum teaching assistantship.
- c. The selected candidates without scholarship cum teaching assistantship are required to submit undertaking on judicial stamp paper that they will not claim scholarship cum teaching assistantship from the Institute in future. However, they can submit research proposals to different funding agencies, or they can apply to different outside funding agencies for scholarships.

I. Important Dates

S. No.	Activity	Tentative Dates
1.	Last date for submission of Applications (Strictly through Online Mode)	20 th August, 2026 till 11.59 P.M.
2.	Display of list of eligible candidates by the concerned HoD in the Institute website	24 th August, 2026
3.	Presentation/ interview by all eligible candidates through offline (Physical) mode only. i. Applied Sciences and Humanities & Management. ii. Electronics and communication Engineering iii. Electrical Engineering iv. Mechanical and Aerospace Engineering	31 st August, 2026
4.	Display of list of selected candidates (All Departments)	1 st September, 2026
5.	Deposition of fee (Online)	1 st September, 2026 to 3 rd September, 2026
6.	Physical reporting in the Institute/ Document Verification	5 th September, 2026
7.	Commencement of Classes	As per academic calendar of NIT Delhi

Note: The institute reserves the right to fix suitable criteria for short listing of eligible candidates satisfying qualification and experience. The Institute reserves the right to modify or cancel this advertisement/any part of this advertisement at any stage. Only shortlisted candidates may be called for an interview. *Only Caution Money/Security shall be refunded in case a candidate withdraws after taking the admission to the PhD programme.* No request for a refund of any other fee paid shall be entertained under any circumstances.

Application Form for Admission to PhD Program for Academic Year 2026-27 (Autumn Semester)

1. **Select program (Anyone)**

Ensure your eligibility before selecting the program. If you wish to apply for more than 1 program, please apply separately.

Sl. No.	Department/Discipline	Tick (✓) in the Department/ Discipline you wish to apply
1	Applied Sciences, Humanities and Management (under English literature and cultural studies)	
2	Electrical Engineering (EE)	
3	Electronics and Communication Engineering (ECE)	
4	Mechanical & Aerospace Engineering (M&AE)	

2. **Select Category of Registration of PhD applied and Details of NET/ NET-JRF/ GATE**

Sl. No.	Category of PhD Registration Applied	Tick (✓) in the PhD Registration Applied you wish to apply	Whether NET/NET- JRF/GATE Qualified. If yes, mention Year, Score and Rank	Paste a recent passport size photograph
1	Full Time under Institute Assistantship with GATE/NET			
2	Full-Time with Own Fellowship (UGC/CSIR-NET etc. for fellowship)			
3	Full-Time with Self-Finance			
4	Full-Time with Sponsorship			
5	Part-Time (for working candidates)			

3. **Name in Full (in BLOCK Letters):**

4. **Father's Name (in BLOCK Letters):**

5. **Mother's Name (in BLOCK Letters):**

6. **Date of Birth (DD/MM/YYYY format):**

7. **Gender: Male/Female/Others:**

8. **Address (in BLOCK Letters):**.....

District:..... **State:**.....

Mobile No.:.....**E-mail:**@.....

9. **Aadhar No.:**.....

10. **Nationality:**..... **Religion:**.....

11. Category (UR/EWS/OBC-NCL/SC/ST/PwD/Foreign Nationals):.....

12. Application Fee paid: Rs./USD (attach transaction slip)

13. Details of Examination Passed (from Class X onwards):

Sl. No.	Examination Passed (Fill the applicable only)	Subject/ Discipline/ Specialization	Year of Passing	CGPA/ Percentage of Marks Obtained	Division (I/II/III)	Name of the Institute &University	Whether Documentary Evidence attached (Yes/No)
1	Secondary School Certificate (Class X)						
2	Higher Secondary School Certificate (Class XII)						
3	Diploma in Engineering/BSc (Tick anyone only)						
4	BE/B.Tech./ M.Sc. (Tick anyone only)						
5	ME/MTech/MPhil (Tick anyone only)						
6							
7							

14. Work Experience: (Yes/No)

If yes,

(i) Institute/Organization Name & Address:

(ii) Experience (in years)

15. Have you ever been disqualified or debarred from appearing in any examination conducted by a University/Board?

Yes/No

If yes, give details:

DECLARATION BY THE CANDIDATE

I clearly understand that my application to the PhD program to the National Institute of Technology Delhi is subjected to the applicable regulations from time to time. I also understand that admission is allowed to me based on the certificates and documents produced by me. I also undertake that the certificates and documents produced by me in original are correct, genuine, and true to the best of my knowledge. If any information/ documents/ particulars are found to be forged or false at any stage in future, then the NIT Delhi can cancel my admission and all the fees deposited by me shall be forfeited. If any degree is awarded based on my admission on the basis on my forged documents, then that certificate/degree awarded by NIT Delhi shall be automatically cancelled. In such case, I shall have no claim, whatsoever, in respect of my admission.
