1. Qualifications & Emoluments: Please see above Table

The remuneration shall be fixed (including TA) and no additional emoluments shall be admissible for site visits, field duties, or for attending the interview/selection process.

2. Duration: Initially for a period of Twelve (12) months, extendable up to March 2028 based on project requirement, performance and availability of funds.
3. The selected candidate shall be responsible for conducting on-site inspections, material testing, and structural framework integrity evaluations for assigned third-party quality assurance projects or similar type consultancy project works. The duties shall include laboratory testing and analysis, preparation of technical reports, documentation of observations and findings, monitoring compliance with relevant standards and specifications, and carrying out other project-related, testing, consultancy, and technical assignments as entrusted from time to time.
4. Candidate shall bring along with them the original degree(s)/certificate(s) and experience certificate(s) at the time of document verification at NIT Delhi after Selection.
5. The engagement is project-based and purely for temporary project position. The appointment shall be initially for a period of Twelve (12) months, extendable up to March 2028 based on project requirement, performance and availability of funds.
6. The selection of candidates shall be carried out through a walk-in interview. The performance of the candidates in the interview shall be evaluated by the Selection Committee, and the decision of the Committee in this regard shall be final and binding.
7. The selected candidate shall be paid consolidated monthly emoluments as specified for the respective position. No additional allowances such as HRA, DA, medical benefits, or any other benefits shall be admissible.
8. The Principal Investigator reserves the right to terminate the engagement at any time due to unsatisfactory performance, with one month's notice.
9. The selected candidate shall be governed by the disciplinary rules and regulations of National Institute of Technology Delhi as applicable from time to time.
10. This engagement does not confer any employer–employee relationship with NITD or the funding agency beyond the project duration. The services shall automatically stand terminated upon completion of the project, or earlier, at the discretion of the Principal Investigator.
11. The appointment does not confer any right or claim for regular or permanent employment at NITD or with the funding / sponsoring agency.
12. Only selected candidates' will be informed by email only.
13. The selected candidate shall be required to work as per project requirements, and shall comply with the timelines, milestones, and deliverables defined by the Principal Investigator.
14. The selected candidate shall be required to maintain strict confidentiality of project data and may be required to sign a Non-Disclosure Agreement (NDA) as per project and institutional norms.
15. The Principal Investigator reserves the right to increase or decrease the number of positions advertised.
16. Applicant upper age limit for applicant is 65 years.

Application in a plain paper as per attached Application format to be brought in person in hardcopy with required photocopy of documents of qualification and experience during interview only.

The Walkin interview shall be conducted preferably in **offline mode** in computational lab in the **Department of Civil Engineering, National Institute of Technology Delhi**, on 25.11.2026 **from 01:30 PM onwards**.

Note: For any query, may mail the PI of the project at ajay@nitdelhi.ac.in or contact at 7549990794.
